## How can you build traffic and revenues with a refilling station installed by Suburban Propane?

- ✓ **Serve More Customers** — Serve those who use propane for RVs and motor homes, camp heaters, boats, forklifts, lawn mowers, and more.
- ✓ **Lower Cost** — Buying propane in bulk can help you reduce costs and increase payback.
- ✓ **No Additional Overhead** — Maximize your existing staff and facility.
- ✓ **Refill Savings for Your Equipment** — Refill your own cylinders at cost!

## How do your customers benefit from refilling versus exchanging?

- ✓ **They Keep It** — Refilling allows them to keep their own personal cylinder.
- ✓ **They Get More** — Refilling gets them a full 20-lb cylinder of propane, as much as 25% more than an exchanged cylinder
- ✓ **They Cook Longer** — A full cylinder provides more burn time so they can keep grilling.
- ✓ **They Save** — They not only save money but time as well. Their cylinder lasts longer so they make less trips to refill or exchange it.

## What marketing support will you get from Suburban Propane?

- ✓ **Cross-Promote Your Brand on Social Media** — We can promote your brand to our followers on social media and develop campaigns to drive customers to your location.
- ✓ **Cross-Promote Your Brand on Our Website** — We can add links to your business from our website to increase your visibility
- ✓ **Co-Sponsor an Event** — Coordinate and support a local community event or Open House at your location.
- ✓ **Produce Marketing Materials** — Provide access to materials to help promote your cylinder refilling business. Promotional packages include banners, feather signs and print collateral.

Options may vary by location.
